Sanitary Pump Repair

We provide the highest quality workmanship, with up to five reconditionings. See the advantages for yourself...

Before

- Replace and charge for only parts that are worn
- Price is quoted without seals if desired
- Remachined to cold clearance unless special clearance is desired
- Each pump is inspected for quoting prior to any work being done
- All new shafts are hardened 17-4
- Options available to improve pump wear
- Oil bath conversion to improve bearing life
